I'm a passionate MERN stack developer driven by a desire to create intuitive and impactful web experiences. My technical expertise is complemented by a strong work ethic, meticulous attention to detail, and a collaborative spirit.

Work Experience

Mentor/Assistant	**Dugsiiye**	Feb, 2024 - Current

As a mentor and guide at the Dugsiiye platform, I have the privilege of supporting students on their educational and personal growth journeys. In this role, I leverage my knowledge and life experiences to provide tailored assistance to the students I work with.

MERN Stack Developer	**Freelance**	Apr, 2023 - current

- Partnered with a diverse range of clients, from small startups to established enterprises, to design and develop responsive, feature-rich web applications.
- Leveraged the MERN (MongoDB, Express.js, React, Node.js) stack to build scalable and high-performing backend systems coupled with intuitive user interfaces.
- Collaborated closely with clients to understand their requirements, translate them into technical specifications, and deliver solutions that exceeded their expectations.
